CPS® ON SITE – C-Part-Service for your Projects

The Würth Industrie Service GmbH & Co. KG manages the **complete supply chain**, from the production line to the installation ON SITE and supplies you with the necessary C-Parts such as fasteners, electrical material, personal protective equipment or tools through our innovative logistical systems ORSY®, KANBAN and E-Commerce.

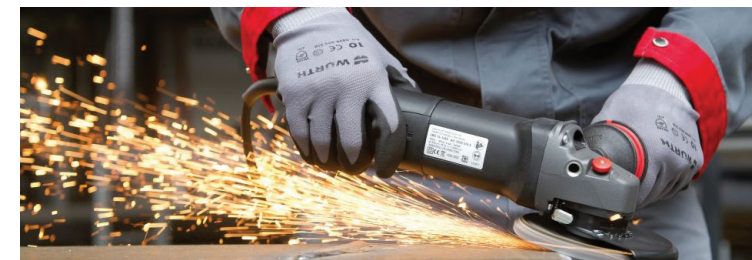

Supply with certainty: from the initial plan of the delivery concepts to the final storage ON SITE. In a container, on racks, large quantities on pallets, small quantities in a tooling trolley or project oriented supply: you have the choice. We support you with our competence and experience.

- **One-stop shop:** storage, supply and logistic handling of the C-parts ON SITE
- Purchasing processes are eliminated
- Storage of container will be handled
- No waste of material
- Technical planning including space optimization
- **Supply with certainty** for your projects
